

Quench 980: Free-Standing Water and Ice Maker

- 💧 Chewblet[®] compressed nugget ice
- 💧 Room temperature water
- 💧 State-of-the-art purification
- 💧 Size options to serve 50 to 350 users
- 💧 Quiet operation
- 💧 Prevents 300 (or more) 5-gallon plastic jugs from entering landfills each year

Beautiful on the outside, the best technology inside

Quench 980. Have a need for ice and water in the same machine? The Quench 980 is a smart-looking ice and water dispenser that produces high-quality Chewblet® nugget ice along with an endless supply of pure, fresh water. The Quench 980 is an attractive addition to any lunchroom, break room, healthcare environment, or other area where ice is desired.

Total ice-making capability — up to 400 pounds per day

Up to 90 pounds of ice storage

NSF-certified filtration

Agion® antimicrobial surface treatment

Chewblet® ice nuggets made by the Quench 980

Ice-maker and room temperature water dispenser

Lever dispensing

Advanced carbon filtration

Optional reverse osmosis

A GREEN APPROACH

Because it's bottleless, the Quench 980 keeps 300 (or more) 5-gallon plastic jugs out of landfills each year.
